# ABOUT US

## LCIT GROUP OF INSTITUTIONS

LCIT Group of Institutions, Bilaspur (CG) was established in the year 2008 by Shri Shri Vidyasagar Ji Maharaj Education Trust with a commitment to provide quality education in the fields of Engineering & Technology with emphasis in Management, Pharmacy, Science, Commerce, Arts and Law Education. Also running a Higher Secondary School. The Institute has a sprawling 20 acres of lush green campus area with a beautiful well developed infrastructure.

The institution is putting unflinched efforts to provide the best facilities for the attainment of a quality education. LCIT Group of Institutions is running a number of educational institutes with present student strength of 5000, we are extremely happy to mention that these Institutions have earned a place of pride in Higher & Professional Education and have become one of the most preferred institutions for seeking admission to professional and technical courses. Besides catering to the needs of formal education, LCIT Group of Institutions also prepares skilled and qualified manpower for self employment through different co-curricular and extra-curricular activities. Further, the institute would take up a strategic research and development activities which along with entrepreneurship will help in extending the efforts of the various institute in imparting education to the unemployed and working population by updating and upgrading their technical skills.

## LAKHMI CHAND INSTITUTE OF TECHNOLOGY

Lakhmi Chand Institute of Technology is the premier education institute of the group. It was established in the year 2008 since then it enjoys the credibility of imparting quality education to its students. In only over a decades time the students of engineering of five branches have made a name for themselves in national and international arena. The college is known for its laboratories and industry-academics constant interaction which makes its students industry ready.

## TRAINING & PLACEMENT CELL

Training and Placement Cell is an integral part of our institution. We believe, it's our diligent engineers / managers. LCIT T&P cell takes care of honing the minds of our students to face the competitive world with desired skills, courage and confidence. Our pioneering efforts have borne fruits in achieving academic-industrial rapport and we are proud that our students are absorbed by leading and reputed giants in the industrial firmament.

## ACTIVITIES

- Placement of students, inviting companies from various fields for Campus placement drives, organizing technical seminars, workshops, industrial visits & other technical sessions.
- Establishing continuous institute-industry interaction.
- In-plant training for students in industries during summer and winter vacation.
- CRT [Campus Recruitment Training] and mock-campus interview drives, online aptitude and technical tests to groom students.
- Helping every student in defining his/her career interest through career counselling by experts.
- Alumni interaction sessions for career guidance and preparations.

# TESTIMONIALS

**Shubham Thakur**  
Computer Science & Engineering

Selected in  
**TCS**

“My bachelor's degree at LCIT in computer science consisted of many projects based evaluation and faculty connect. The mentors at LCIT University helped us enhance my academic and interpersonal skills. I am happy to be a product of this esteemed institution. LCIT not only provides a platform to enrich academically but also emphasises on the all-around development of the student. It provided a lot of opportunities for students to showcase their talents, which include dancing, singing, and in Coding both individually or as a group. These activities create a very pleasant and enriching atmosphere for students as well as teachers as we enjoy it a lot.

”

**Priya Singh**  
Computer Science & Engineering

Selected in  
**MNC'S ITC INFOTECH**

“LCIT is a great place to learn. It gives me great to say with pride that I have completed my B.Tech in CSE from this college. The relationship between faculties and student is very cordial, which gave me an opportunity to excel in my area of interest. I would like to appreciate the placement cell at LCIT for the efforts they made for providing a fair and ample amount of chances to us. The faculty members worked so hard on our overall development and conducted extra classes for us to enhance our technical and interpersonal skills. I loved my time here at LCIT.

”

**Ranjana Dewangan**  
Electrical Engineering

Selected in  
**CSPDCL**

“I am glad to be the part of this opportunity and also thankful to the faculties and every supporting person of LCIT. Without their constant support and encouragement I may not be able to achieve these goals. LCIT provided numerous opportunities for professional development through various workshops, internships, and industry interactions and also taught me that anything can be achieved if you have a strong will. The infrastructure and facilities of LCIT were top-notch and contributed to a positive and conducive learning environment.

”

**Yashraj Sahu**  
MBA

Selected in  
**INDIAMART**

“I am very thankful to LCIT College for providing me the opportunity to get into my Dream Job. The institute has helped me to learn contemporary skills that are in line with the current corporate world and also guided me and identified my potential to grow and learn faster. The learner-centric environment and infrastructure along with the guidance and support from our faculty members has led me to be able to crack my Dream Job. The curriculum designed by the college and competitions like 'Job battle' has also helped me to expand my knowledge in the field of management and also improved my ability to learn faster. I am in deep gratitude to LCIT COLLEGE and its faculty for helping to push above my weight and realise my ambitions.

”

**Jaspreet Singh**  
MBA

Selected in  
**Airtel Business**

“My Name is Jaspreet Singh, and I have been placed at Airtel Business the Current Placement season of 2024-25. I found the academics revolving around MBA extremely valuable to developing my career in this domain. I am grateful to our branch and faculty for actively inculcating this culture. It includes participating in activities like software engineering, research, value-based development, and more, which shape our insights into becoming better people. The placement training was instrumental in better preparing ourselves for the upcoming placement season. We were offered an overall development around aptitude, coding, and soft skills. The opportunities provided by the placement cell were fruitful for us to help gauge our understanding of the overall interview structure and how to tackle them better. I am grateful for the college and the respective faculty's support.

”

**Pooja Badoriha**  
Civil Engineering

Selected in  
**Power Grid Corporation of India Limited**

“I am thankful to the faculty of Civil Engineering department for their guidance and support. Our college placement cell has provided various types of training to develop the qualities and skills of the students. The company focused training helped me a lot in facing interviews. I got placed in Power Grid Corporation of India Limited. I would also like to recommend my juniors to gain good knowledge in technologies. What top companies expect from you. Thank you....

”

**Aneesh Sharma**  
Computer Science & Engineering

Selected in  
**Resilience Soft**

“My Sincere appreciation & gratitude to the training & placement Cell and all the staff members of LCIT for their efforts in imparting quality technical and aptitude training. I am very grateful to them for effectively and sincerely helping me to grab a great opportunity at Resilience Soft.”

”

**Deependra Kesharwani**  
Electronics & Telecommunication

Selected in  
**Central Railway**

“A hearty thanks to all my teachers, HOD Sir and the Director Sir for believing in my capabilities and a special thanks to the placement department for doing such a wonderful job and for getting the best of the best companies to our campus. The whole process of placement was a huge roller-coaster but all thanks to LCIT for teaching me to never lose faith and giving me plenty of new opportunities.

”

**Rasmi Thakur**  
Electronics & Telecommunication

Selected in  
**Deputy Collector (C.G.)**

“A hearty thanks to all my teachers, HOD Sir and the Director Sir for believing in my capabilities and a special thanks to the placement department for doing such a wonderful job and for getting the best of the best companies to our campus. The whole process of placement was a huge roller-coaster but all thanks to LCIT for teaching me to never lose faith and giving me plenty of new opportunities.

”

**Payal Khairwar**  
Civil Engineering

Selected in  
**ADANI CEMENT**

“Journey at LCIT has been one of the best experience of my life. It's difficult to sum up the memories and experience of four years in few lines. The campus has excellent infrastructure and is very beautiful with perfect blend of nature. There is something motivational and special in this environment and infrastructure which made us study and enjoy co-curricular activities. All the faculty and staff members are very helpful and they guided us all the time. Different events and sessions did boost my confidence to a great extent that I can experience at my workplace now. It has been an unforgettable journey. I have spent my wonderful days of life at LCIT. Thanks to CIVIL DEPARTMENT and all others who have been a part of my life in encouraging me.

”

**Pankaj Lahri**  
Civil Engineering

Selected in  
**JHAJHARIA NIRMAL LIMITED**

“I am Pankaj Lahri, and I have been placed at Jhajharia Nirman Limited the Current Placement season of 2024-25. In my experience at the teachers are very supportive and friendly and the placement process has been very smooth throughout. I would always be very grateful for the lifelong connections I made during my 4 years of engineering degree. It was an amazing experience being a part of LCIT family.

”

**Gajadhar Singroul**  
Mechanical Engineering

Selected in  
**KARTAR MOTORS**

“In my experience all the teachers are very supportive and friendly and the placement process has been very smooth throughout. I would always be very grateful for the lifelong connections I made during my 4 years of engineering degree. It was an amazing experience being a part of LCIT family.

”
