17 YEARS OF EXCELLENCE

1st INTERNATIONAL CONFERENCE

" International Conference on Multidisciplinary Innovations in Engineering, Science, Humanities and Law "

(ICMIESHL-2026) March 10th - 11th 2026

Organised By -
Department of Computer Science & Engineering

Supported By-
Chhattisgarh Society for Information Technology | CGSIT

CHIEF-PATRON

Shree Pramod Jain
Chairman
LCIT Group of Institutions

Shree Ankit Jain
Vice-Chairman
LCIT Group of Institutions

PATRON

Mr. Upkar Rai
Secretary
Shri Shri Vidyasagar Ji Maharaj Education Trust

PATRON

Dr. G.K. Singh
Principal
Lakhmi Chand Institute of Technology

PATRON

Mrs. Shubhi Shrivastava
Vice-Principal
Lakhmi Chand Institute of Technology & School of Pharmacy

CONVENOR

Mr. Vishnu kant Soni
HOD, CSE Department
Lakhmi Chand Institute of Technology

ADVISORY COMMITTEE

* Dr. Piyush Kant Pandey, Vice Chancellor, AMITY University, Raipur
* Dr. Jayanti Chaterjee Mitra, Pro V.C., Dr. CVRU, Bilaspur
* Dr. Tapan Kumar Maity, Professor, Jadavpur University, Kolkata
* Dr. Debasis Das, Associate Professor, IIT Jodhpur
* Dr. Saurabh Mitra, Associate Professor, Dr. CVRU, Bilaspur
* Dr. Vivek Shukla, Associte Professor, Dr. CVRU, Bilaspur
* Dr. Himanshu Vaishnav, Associate Professor, OPJU, Raigarh
* Dr. Amit Pimpalkar, Associate Professor, Ramdeobaba University, Nagpur
* Dr. Anup Gade, Associate Professor, TGPCET, Nagpur
* Dr. Anil Soni, Associate Professor, GGV Bilaspur
* Dr. Rohit Miri, Associate Professor, CSVTU, Bhilai

CONFERENCE THEME

Following Preferred Themes (Not Limited to the Ones Mentioned Below):

Computer Science & Engineering :
Artificial Intelligence and Machine Learning, Cybersecurity and Blockchain, NLP, Image Processing & Big Data.

Electronics & Communication Engineering :
VLSI Design and Embedded Systems, IoT and Smart Devices, Wireless Communication and 5G/6G Networks.

Electrical Engineering :
Smart Grid and Renewable Energy Systems, Electric Vehicles and Power Electronics.

Civil Engineering :
Sustainable Infrastructure and Smart Cities, Advanced Materials in Construction.

Mechanical Engineering :
Advanced Manufacturing & 3D Printing, Robotics and Mechatronics.

Basic Sciences and Pharmacy (B.Sc. / Pure Sciences) :
Applied Physics in Engineering Solutions, Advances in Chemistry for Materials & Energy, Telemedicine and Virtual Healthcare Platforms, Plant Biodiversity, Environment & We, Biodegradation.

Humanities :
Technology and Society: Ethical Dimensions, Role of Humanities in Sustainable Development.

Law :
Cyber Laws, Data Privacy and AI Regulations, Intellectual Property Rights (IPR) and Innovation.

Management & Commerce :
Digital Marketing, Social Media Mining, Stock Market Analysis, FinTech & Digital Banking, Startup Ecosystem, Operations & Quality Management, Digital Economy, Emerging Markets.

CHIEF PATRON

Shri Pramod Kumar Jain, Chairman

Shri Ankit Jain, Vice-Chairman

PATRON

Mr. Upkar Rai, Secretary SSVT

Dr. G.K. Singh, Principal

Mrs. Shubhi Shrivastava, Vice Principal

CONVENER

Mr. Vishnukant Soni, HOD
Computer Science & Engineering

CO-ORDINATOR

Mr. Amit Awasthi

Mr. Neetesh Kumar Nema

ORGANIZING SECRETARIES

Dr. Rahul Gedam

Dr. Deependra Rathore

Dr. Bhumika Das

Mr. Ashish Paul

Dr. Hemant Kumar

Dr. Rajesh Shrivastava

Dr. Anjali Harangaonkar

Dr. Santosh Sinha

ORGANIZING COMMITTEE

Mrs. Priyanka Shukla

Ms. Priyanka Rajak

Mr. Vaibhav Awasthi

Mr. Anvesh Pandey

INVITED SPEACKERS

Dr. H. S. Hota
Professor
Head, Department of Computer Science & Applications,
Atal Bihari Vajpayee Vishwavidyalaya (Abvv), Bilaspur

Dr. Dilip Singh Sisodia
Associate Professor
National Institute of
Technology (NIT) Raipur

Mr. Karthik Kambhampati
Staff Software Engineer
Sunrun Inc United State of America

Dr. Rohit Raja
Associate Professor
Guru Ghasidas Vishwavidyalaya
(Central University), Bilaspur (C.G)

Dr. J.P. Patra
Associate Professor
Chhattisgarh Swami Vivekanand
Technical University (CSVTU), Bhilai

HOW TO REACH

Maharana Pratap Chowk
Tifra (Kaali Mandir)
Railway Station
LCIT Campus
Bodri Turn

LCIT Campus, Near High Court, Raipur, Road Bodri,
Bilaspur, Chhattisgarh, India, Pin Code-495001

IMPORTANT DATES

Submission of Full Length Paper	February 15, 2026
Acceptance of Full Length Paper	February 20, 2026
Last Date of Registration	February 25, 2026
Conference Dates	March 10-11, 2026

REGISTRATION FEES

UG/PG Students	₹ 1500/-
Research Scholar (Phd)	₹ 1500/-
Faculty/Academician/Industry	₹ 1500/-
Student Attendee	₹ 500/-

Scan & Pay

Extended Full Length Paper & Abstract can be submitted
through Only by
E-mail : icmieshl2026@gmail.com
Click Link for More Details :-
https://lcitbsp.edu.in/inter.php

MODE OF PAPER SUBMISSION

- The abstract should contain 300 words along with at least 6 keywords.
- The abstract should be in editable format Times New Roman size 12.
- Extended Abstract should contain 500 to 700 words.
- Paper/Poster Presentation.

CONFERENCE TRACKS

Track 1 : Frontiers of Modern Engineering and Technology
Track 2 : Global Perspectives in Commerce, Economics & Management
Track 3 : Integrated Perspectives in Scientific, Pharmaceutical & Humanistic Research
Track 4 : Emerging Trends in Law, Justice & Governance

HIGHLIGHTS

1. Best Paper Award in each track.
2. Certificate to all the Presenters & Attendees.
3. Accepted Extended Papers will be published in the Conference Proceedings & Google Scholar.
4. Selected Paper will be Published in Scopus Index Jouanal.

ABOUT THE CONFERENCE

The Department of Computer Science & Engineering is delighted to announce the International Conference on Multidisciplinary Innovations in Engineering, Science, Humanities and Law. This global academic event aims to bring together researchers, scholars, industry professionals and students from diverse fields to share innovative ideas, present research findings and discuss emerging trends across multiple disciplines. The conference will provide a dynamic platform for knowledge exchange, collaborative learning and interdisciplinary networking. Participants will gain valuable insights into cutting-edge technologies, scientific advancements, socio-humanistic perspectives and legal frameworks that shape our modern world.

ABOUT THE LAKHMI CHAND INSTITUTE OF TECHNOLOGY

LCIT, located in Bilaspur, Chhattisgarh, is a premier institution committed to providing high-quality technical education and fostering innovation in Engineering and Technology. Established in 2008, LCIT has quickly gained recognition for its academic excellence, state-of-the-art Infrastructure and a vibrant learning environment. The Institute is affiliated with Chhattisgarh Swami Vivekanand Technical University (CSVTU) and approved by the All India Council for Technical Education (AICTE). LCIT offers Undergraduate and Postgraduate programs in various branches of engineering, with a focus on providing students with the knowledge, skills, and practical experience needed to excel in their chosen fields.

ABOUT COMPUTER SCIENCE & ENGINEERING DEPARTMENT

The Department of Computer Science & Engineering at LCIT, Bilaspur is dedicated to providing high-quality technical education and fostering a culture of innovation, research and practical learning. The department offers a robust curriculum aligned with modern industry requirements, supported by well-equipped laboratories, experienced faculty members and a student-centric academic environment. With a focus on emerging technologies such as AI, machine learning, data science, cybersecurity and software development, LCIT CSE encourages students to develop technical competence, problem-solving skills and leadership qualities.

Department of Computer Science & Engineering

The Computer Science and Engineering (CSE) program at Lakhmi Chand Institute of Technology is an integrated academic course that brings together the core principles of Computer Science and Computer Engineering. Established in 2008, the Department of Computer Science and Engineering is one of the earliest and most respected departments in the district. It features a team of highly experienced faculty members with strong industry and research backgrounds, and a committed group of students pursuing both undergraduate and postgraduate degrees. The department also actively participates in off-campus recruitment drives.

VISION :

The Department of Computer Science and Engineering envisions becoming a globally recognized hub of excellence in education, research, and innovation. Our goal is to cultivate technically proficient, industry-ready professionals and future leaders who contribute to the advancement of technology for societal and global benefit.

Foster a culture of academic excellence through a strong curriculum, cutting-edge research, and hands-on learning experiences. Develop skilled professionals who are adept at solving real-world challenges using emerging technologies such as Artificial Intelligence, Machine Learning, Cybersecurity, Cloud Computing, and the Internet of Things (IoT). Promote interdisciplinary research and innovation by encouraging collaboration between academia, industry, and research organizations.

MISSION :

The mission of the Department of Computer Science and Engineering is to provide high-quality education, foster innovation, and conduct impactful research to develop skilled professionals capable of addressing global technological challenges. Our mission is to:

1.Deliver Excellence in Education : Provide a robust and industry-relevant curriculum that equips students with strong theoretical foundations and hands-on technical skills in computing and emerging technologies.

2.Promote Research and Innovation : Encourage faculty and students to engage in cutting-edge research, interdisciplinary collaboration, and technological advancements that contribute to the growth of the industry and society.

3.Enhance Industry Collaboration Build strong partnerships with industries, research institutions, and professional organizations to ensure practical exposure, internships, and real-world project opportunities.
