OUR LEADERS

Shree Pramod Kumar Jain

Founder & Chairman

Founder & Chairman

At Lakhmi Chand Institute of Technology, our vision is to build a center of excellence that nurtures future leaders and innovators. We are dedicated to delivering quality education supported by modern infrastructure and strong academic values. Our mission is to empower students with knowledge, confidence, and skills to excel globally and contribute meaningfully to society.

Shree Ankit Jain

Innovator & Vice-Chairman

Innovator & Vice-Chairman

We focus on strengthening the institution through continuous innovation and strategic growth. Our aim is to enhance academic standards, expand opportunities, and create a progressive learning environment. We are committed to supporting initiatives that enable students to achieve excellence and prepare for future challenges.

Mr. Upkar Rai

Visionary & Secretary (SSVT)

Visionary & Secretary (SSVT)

We believe in building a strong foundation rooted in discipline, values, and quality education. Our focus is on creating opportunities that support students' academic and personal growth. We strive to develop responsible individuals who contribute positively to society and uphold the dignity of our institution.

Dr. G.K. Singh

Diligent & Principal

Diligent & Principal

We are committed to academic excellence and holistic development. Our environment encourages critical thinking, creativity, and leadership. Through a balanced approach of academics and co-curricular activities, we prepare students to become skilled professionals and responsible citizens.

Dr. Shubhi Shrivastava

Creative & Vice-Principal

Creative & Vice Principal

We emphasize discipline, consistency, and practical learning. Our approach ensures smooth academic functioning and continuous student progress. By integrating theoretical knowledge with real-world applications, we prepare students to confidently face competitive environments and emerge as capable professionals.

COURSES OFFERED

Bachelor of Technology (B.Tech)

Courses Offered	Intake	Duration	Eligibility
Civil Engineering	60	4 Years (8 Semesters)	12th Pass with minimum 45% (Unreserved) and 40% (ST, SC & OBC) in PCM from recognized Board, along with valid score in CG-PET or JEE.
Computer Science & Engineering	90		
AI/ML* (Artificial Intelligence / Machine Learning)	30		
Electrical Engineering	60		
Electronics & Telecommunication Engineering	30		
Mechanical Engineering	30		

Master of Technology (M.Tech)

Courses Offered	Intake	Duration	Eligibility
Civil Engineering	18	2 Years (4 Semesters)	<ul style="list-style-type: none"> B.Tech Graduates in Any Stream Can Apply B.Tech Graduates of Computer Science Engineering, IT, EE, ECE, MCA & M.Sc Can Apply Graduate with minimum 50% (Unreserved) and 45% (ST, SC & OBC) from recognized University GATE Qualified / Sponsored
Computer Science & Engineering	18		

Master of Computer Applications (MCA)*

Courses Offered	Intake	Duration	Eligibility
Computer Science	60	2 Years (4 Semesters)	<ul style="list-style-type: none"> Under Graduates in B.Sc & BCA Graduate with minimum 50% (Unreserved) and 45% (ST, SC & OBC) from recognized University Pre-MCA or NIMSET Test Qualified

Management (MBA)

Courses Offered	Intake	Duration	Eligibility
Master of Business Administrative (MBA) with Dual Specialization in Marketing, Human Resource, Finance, System and Production & Operations Management	90	2 Years (4 Semesters)	Graduate in any stream with minimum 50% (Unreserved) and 45% (ST, SC & OBC) from recognized University, along with valid score in CMAT, MAT, CAT, XAT or ATMA.

ABOUT US

Lakhmi Chand Institute of Technology

Lakhmi Chand Institute of Technology (LCIT), established in 2008, is a premier institution under the LCIT Group, committed to excellence in technical and professional education. The institute is known for its strong academic foundation, modern infrastructure, and focus on innovation and skill development. LCIT offers a wide range of undergraduate engineering programs (B.Tech) designed to meet industry demands and technological advancements.

The institute currently offers B.Tech programs in:

- Civil Engineering
- Mechanical Engineering
- Computer Science & Engineering
- Electronics & Telecommunication Engineering
- Electrical Engineering
- Artificial Intelligence & Machine Learning

With well-equipped laboratories, experienced faculty, and industry-oriented teaching methodologies, students gain both theoretical knowledge and practical exposure. The institute actively promotes internships, live projects, workshops, and industry interaction to ensure students are industry-ready.

In addition to undergraduate programs, LCIT also offers postgraduate programs to enhance advanced learning and specialization:

- MBA (Master of Business Administration)
- M.Tech in Civil Engineering
- M.Tech in Computer Science & Engineering
- MCA (Master of Computer Applications)

LCIT emphasizes research, innovation, and entrepreneurship, encouraging students to develop creative solutions for real-world challenges. The institute has consistently produced skilled professionals who excel in various sectors at national and international levels.

With a learner-centric environment and commitment to quality education, LCIT continues to empower students to achieve academic excellence and build successful careers.

***Wifi Campus & Lift Facilities.**

TRAINING & PLACEMENT CELL

The Training & Placement Cell at LCIT plays a vital role in shaping students into industry-ready professionals. It is dedicated to guiding students toward successful careers by equipping them with the right skills, knowledge, and professional attitude.

Our T&P Cell focuses on enhancing employability through structured training programs, including aptitude development, technical skill enhancement, soft skills training, and personality development. Regular workshops, seminars, mock interviews, and industry interactions prepare students to confidently face the challenges of the competitive corporate world.

With a strong network of industry connections, LCIT has established a healthy academic–industry interface, enabling students to secure opportunities with reputed organizations. The consistent placement record reflects our commitment to excellence, with students being recruited by leading companies across various sectors.

OUR ESTEEMED RECRUITERS

We take pride in our association with renowned organizations that trust LCIT talent:

SALIENT FEATURES

- › Highly Qualified & Experienced Faculties.
- › State of the Art Laboratories with 1000 plus computers and Industry Level machines.
- › Special Attractions - Plate Load Test, Universal Testing Machine (UTM). Triaxial Shear Test for Soil testing etc.
- › Regularly Conducted Spoken courses from IIT Institutions.
- › Case Study Based Teaching, Remedial classes for weak students.
- › Live Industrial Projects, Competency Based Mock Interview, Career Profiling to make MBA students Industry ready.
- › National Digital Library (IIT Kharagpur), Book Bank Scheme, Journals and Periodicals, E-learning materials.
- › World Bank assisted Project (TEQIP) Technical Education Quality Improvement Programmed of Government of India , implemented at Institution to improve the quality of technical education sponsored by CSVTU.
- › Online Courses through 'Study Webs of Active Learning for Young Aspiring Minds' (SWAYAM).
- › Regular Industry Specific Workshops [IoT, Stadd Pro, CAD etc.) with Compulsory Soft Skills and Personality Development training for students through highly experienced & trained faculty team.
- › Adopted hands on facilities of SIS (Students Information System) and LMS in academics.
- › Excursions trip organized for students every year as an extracurricular activities.
- › Institutions Innovation Council (IIC) - An Initiative of Minister of Education.
- › Internal Quality Assurance Cell (IQAC).
- › Recognition as a Local Chapter of NPTEL.

INDUSTRY MOUs

At LCIT, we believe that education must go beyond classroom learning. Our strategic collaborations with government bodies and industry partners provide students with valuable exposure to real-world practices, ensuring they are industry-ready from the very beginning. Through these MOUs, students gain opportunities for internships, field training, live projects, and practical learning experiences that enhance their professional skills and employability.

OUR KEY INDUSTRY PARTNERS

These collaborations strengthen our commitment to experiential learning, innovation, and career readiness, helping students build a strong foundation for future success.

TESTIMONIALS

Aryan Agney
CSE, Package- 12.0 LPA
DaveAI

My journey at Lakhmi Chand Institute of Technology, Bilaspur has been a strong foundation for my career. The practical learning environment, continuous mentorship, and placement support played a key role in helping me secure an opportunity at DaveAI. I am thankful to the institution for shaping my professional growth.

Muskaan Baig
MBA, Package- 3.50 LPA
Eicher Kartar Motors

My experience at Lakhmi Chand Institute of Technology, Bilaspur has been truly enriching. The practical exposure, continuous support, and placement guidance helped me secure an opportunity at Eicher Kartar Motors. I am grateful to the institution for shaping my career path.

Ayush Pandey
ET&T, Package- 5.5 LPA
Forbes Marshall

Success is a journey, and Lakhmi Chand Institute of Technology, Bilaspur has been the best partner in mine. I am happy to announce my placement and want to thank the placement department for bringing such great companies to our campus. The skills I've gained here, both technical and soft skills, gave me the confidence to ace my interviews. Feeling proud to be an LCITian.

Dispanshu Sao
Civil, Package- 6.5 LPA
Water Resource Department

My journey at Lakhmi Chand Institute of Technology, Bilaspur has been truly enriching and career-focused. The institute's emphasis on practical learning, technical skills, and placement support helped me secure an opportunity with the Water Resource Department.

Soniya Jaiswal
CSE, Package- 10 LPA
Voyatek India

My experience at Lakhmi Chand Institute of Technology, Bilaspur has been highly impactful in shaping my career. The supportive faculty, skill development initiatives, and placement opportunities enabled me to secure a position at Voyatek India.

Shivam Nirmalkar
CSE, Package- 8.0 LPA
Tata Consultancy Services

It's a proud moment for me to be placed at TCS through our campus drive at Lakhmi Chand Institute of Technology, Bilaspur. Being a part of the CSE department has been an incredible learning experience. I'm thankful to the Training and Placement Cell for bringing such great opportunities to us and for guiding me every step of the way. Ready to take on the challenges of the corporate world.

Riya Kumari
ET&T, Package- 5.5 LPA
Uber

I sincerely thank Lakhmi Chand Institute of Technology, Bilaspur for its continuous guidance and industry-oriented approach. The hands-on training and placement assistance played a key role in helping me begin my professional journey with Uber.

Heeramane Patanwar
Civil, Package- 3.75 LPA
C.G. Police

The structured learning approach and guidance from faculty at Lakhmi Chand Institute of Technology, Bilaspur helped me stay focused and determined towards my goal. This support enabled me to secure a position as an Administrative Officer in the Chhattisgarh Police.

Aniruddh Sahu
EE, Package- 3.50 LPA
Phil Group

I have successfully secured a placement at PHIL Group. I want to express my sincere gratitude to Lakhmi Chand Institute of Technology for the incredible campus opportunities. The guidance from the EE faculty and the rigorous placement drills made all the difference. I'm looking forward to joining the team and contributing to the industry.

Jitendra Jangde
MBA, Package- 4.84 LPA
Axis Bank

My journey at Lakhmi Chand Institute of Technology, Bilaspur has been truly enriching and career-oriented. The institute's focus on professional skills, industry exposure, and placement support helped me secure an opportunity at Axis Bank.

Chandra Prakash
ME, Package- 4.84 LPA
Corpewiz Holdings

Being a part of Lakhmi Chand Institute of Technology, Bilaspur helped me bridge the gap between academics and industry expectations. The exposure to real-world applications and consistent support enabled me to step into the role of Site Engineer at Corpewiz Holdings Pvt. Ltd. with confidence.

Abhilasha Verma
EE, Package- 6.24 LPA
CSPDCL Assistant Engg.

The guidance and academic support I received at Lakhmi Chand Institute of Technology, Bilaspur played a crucial role in building my technical foundation and confidence. This preparation helped me secure the position of Assistant Engineer at Chhattisgarh State Power Transmission Company Limited.

Aakarsh Kumar
MBA, Package- 6.0 LPA
Indian Coast Guard

The discipline, leadership skills, and overall personality development I gained at Lakhmi Chand Institute of Technology, Bilaspur played a crucial role in shaping my career path. With continuous guidance and motivation, I was able to secure a position as an Assistant Commando with the Indian Coast Guard.

Sandeep Vishwakarma
Civil, Package- 3.20 LPA
Adani Cement

My experience at Lakhmi Chand Institute of Technology, Bilaspur has been highly valuable in shaping my career. The supportive faculty, practical exposure, and skill development initiatives enabled me to secure a position at Adani Cement.

Bhoumik Dubey
CSE, Package- 5.04 LPA
Amnax Technologies

The learning environment at Lakhmi Chand Institute of Technology, Bilaspur, combined with continuous mentorship and industry exposure, helped me build strong technical and professional skills. I am grateful for the support that led me to an opportunity at Amnax Technologies.

Md. Sohel Khan
EE, Package- 2.88 LPA
Abhyantri

The skill-oriented learning environment at Lakhmi Chand Institute of Technology, Bilaspur played a key role in helping me start my professional journey as a Junior Engineer with Abhyantri Enterprises Pvt. Ltd.

Shivani Tiwari
MBA, Package- 3.84 LPA
Axis Bank

The continuous guidance and industry-oriented learning at Lakhmi Chand Institute of Technology, Bilaspur helped me begin my professional journey with Axis Bank.

Pooja Badoriha
Civil, Package- 5.76 LPA
Power Grid Corporation of India Limited

I sincerely thank Lakhmi Chand Institute of Technology, Bilaspur for its continuous guidance and industry-oriented approach. The hands-on training, supportive faculty, and placement assistance played a crucial role in helping me begin my professional journey with Power Grid Corporation of India Limited.
